

## Minutes

Committee: Air Medical: Chair Chad Solomon

Date: 4/21/2022  
UT Northeast

1. Approval of minutes from last meeting.  
Motion Jim  
Second by
2. GETAC AMC and Critical Care Transport Committee Report.
  - Jim Speier/ Shawn Salter- no surprise billing- federal law effecting air ambulances only.
  - Program that all the RACs have of capabilities matrix- question of where we are at on this? (on meeting agenda see below)
  - Increased number of drone incursions—education needed for the public for these drones operators-
3. RAC Assessment Tool
  - Sheryl Coffey- covered in pre-hospital- everyone is supposed to fill out a needs assessment- (Trying to redo the Trauma Plan)
4. Air Medical Capability Matrix for RAC-G
  - Chad Solomon- this matrix tells each agencies capabilities (do you have blood, are you capable to transport a iabp/nitric/do you transport ECMO) a lot of the other RACs have already adopted this program. Amy Motion/ Seconded by Shawn—motion passed
5. TAAMS Report:
  - SMTA – MTLI – Oct 31st deadline for application—educational sponsored classes (can apply online at TAAMS.org)
6. Local Safety Issues
  - None to report
7. Educational offerings Upcoming
  - CHRISTUS Stroke Symposium April 23rd
