STROKE

1. Discuss RDC Data. Create 2-3 PI projects within the RAC to improve the metrics.
2. Stroke Prevention Day – January 25, 2025 – Want to do anything as a RAC for this? Focus is typically on AF and link to stroke risk.
3. ZODIAC Trial – laying head flat in LVO patients – reached out to EMS to start incorporating into their CPGs – but think as a RAC worth discussing to adopt as well.
4. Nominations for Stroke Committee Chair

Upcoming dates:

- World Stroke Day: October 29
- GETAC Stroke Committee: Nov 23-25
