Tuesday, October 8, 2024

Call to order @ 1503

A meeting of Perinatal Subcommittee was held via Teams on October 8, 2024.
Sign in Sheet must accompany Minutes

Approval of Previous Meeting Minutes

Purpose of Meeting:

Follow up on RAC-G General Assembly, updates with Perinatal Bracelet Project, discussion with process improvement for the project success, discussion of follow-up with patients for project efficacy.

1. Topic of Discussion: RAC-G General Assembly

Action: Review of General Assembly minutes and updates learned at the assembly from Attendees, handouts for upcoming events/trainings. No perinatal updated noted.

2. Topic of Discussion: Postpartum Bracelet Project Updates per Hospital

- CGSMC: Roll out planned soon.
- CTMF: Roll out planned soon.
- LRMC: Roll out planned soon.
- PRMC: Patients are receptive to the project. Discharge teaching is being utilized.
- UTA: Has seen success with two patients.
- UTJ: Roll out planned soon.
- UTH: Roll out planned soon.
- UTT: Underway. Unsure of success at this point in time. Laminated fliers in patient rooms and visitor areas. Will follow up.

Action: To be discussed and reviewed at the end of the meeting.

3. Topic of Discussion: Follow up planning with patients for data related to project success and analysis of efficacy

- Ideas and options for reasonable follow up: What feedback do we want to know/what questions to ask?
- Ideas: Mail in/Turn into provider questionnaire card (see attached template). Providers could follow up in the office and return.

Action: To be discussed and reviewed at the end of the meeting.

4. Action Items: As reviewed above:

- Item 1: Postpartum Bracelet Project ideas to be implemented/Changes to be made moving forward by majority vote: Roll out to continue to occur for hospitals with the addition of a follow up card to be delivered to physicians' offices for efficacy. Hillary Hill to work on survey card to send out or have prepared for the next meeting.
- Item 2: Postpartum Bracelet project: Patient follow up plans to be implemented by majority vote.

5. Announcements:

- Next General Assembly: January 28, 2025 @ UT North Campus with Perinatal Sub Committee to follow
- RAC Recap meeting to be held February 4, 2024 via teams. Email of calendar invite to come.

Adjournment @ 1528
