7. Open Discussion. FIFA is the current hot topic, Dallas and Houston hospitals may be over saturated and patients may need to come to outside hospitals.
   Big concern will be fuel, Love Field Dallas ramp expected to be full and fuel may run low. Houston may have the same type issues. Mesquite will not alter anything and will be business as usual. Garland heliport is an option. Suggest fuel planning earlier than later.

9. Adjourn Motion Brian, second Dawn.
