

Minutes

Committee: Air Medical: Chair Chad Solomon

Virtual on GoTo Meeting

Date: 12/28/2023

1. Approval of minutes: minutes – We will approve October and December minutes at the January meeting. Be sure to look for them on the RAC G Website prior to the next meeting.

Attendance: Amy Hooten, Chad Solomon, Justin Dagle, David Head, Shawn Salter, Terri Hoffman, Brian Wilkinson, Dawn Johnston.

2. GETAC AMC and Critical Care Transport Committee Report.
 - Door in and Door out Stroke Committee-Physician spoke discussing door in and door out. Looking for ways to improve times. Ways to improve large vessel identification and screening in the field and give EMS providers more training. Recruiting tool kit is available to the RACs soon.
 - Pulsara usage conversation-The state of Texas has a contract with Pulsara for the next two year for the basic package. This allows all hospitals and ems to be on the platform. The push seems to be for everyone to move to this platform for the state for integration in MCI, stroke, stemi, etc... The extended package will still be paid by the hospitals. Joe Schmider was asked about this platform covering the drop off form with the hospitals. He agreed it would cover this need.
3. TAAMS Report:
 - SMTA – MTLI – Oct 31st deadline for application
 - New Election: President Stacey Puttnum will now be the past president. Troy Howard is the new president and Jeremy Tomlison is the future president.
4. Local Safety Issues
 - UT Health- Construction updates:
Second crane and operations at UT Health with construction end of January first of February. Be sure to give them a 10 minute heads up you will be coming so they can attempt to move the crane or suspend operations due to a tight LZ.
