1. Approval of minutes from last meeting.
  - Minutes not yet on the website. We will approve at the next mtg.
2. GETAC Updates
  - Meeting 3/7-9/23 - Live in person - Austin, Texas - Double Tree Hotel - I35 at Hwy 290
  - All meetings are live Streamed and can be watched from your desk.
3. Discuss Pre Hospital Committee Goals
  - 1. Active shooter plan
  - 2. Wrist Band Project education, to hospitals, and others needing to know.
  - Others will be added as we move forward.
4. Trauma Band update
  - Stay with Blue Bands - these were chosen after much research so they do not conflict with any other nationally used hospital armbands.
  - How do we pay for bands going forward? **Motion** made for the RAC to purchase all band and use our EMS pass through funds to buy them with, thus decreasing the funds each agency would get.
  - Motion: Shawn Salter - Second: Jim Speier - Vote: Passed

5. Discuss Active Shooter response and interoperability

- General discussion on the active shooter plan was had. In general there is no integrated plan in place that all agencies are aware of and involved in.
- Hot topic due to recent school shootings and other locations here in Texas.
- Discussion at this time ended with the decision made by Shawn Salter to gather a group of SME's to lay a framework and streamline thoughts.
- Amy and Shawn will start the formation of a Sub Committee for the Active Shooter plan.
