1. Approval of minutes from last meeting.
  - Motion: Chad Solomon, Second Jim Speier, Approved
2. GETAC Next Meeting 6/7/23 to 6/9/23
3. ALERRT-Advanced Law Enforcement Rapid Response Training
  - Training Center Update – Next class is July 11<sup>th</sup> and 12<sup>th</sup> in Gladewater, more dates to be announced soon.
  - Class update – the Longview Medical and Dispatch plans will be supplied to this group in a draft format, for use in developing a plan that should work for all programs. The hopes are everyone is working from the same playbook during this type of event.
  - RAC-G response discussion – this committee will review all plans developed and make recommendation that it be adopted into our regional plan.
  - The current plan for ALERRT training is for this area become a training HUB, with all the necessary equipment here in our region. This will allow for ongoing training classes w/o needing to acquire use from TEEEX. Total cost of the equipment is about \$300,000.
  - Current classes are being taught in locations in Gladewater (old school) and Longview (mall).
  - Hopes are that Tyler and Longview will come together and join forces on this project as a joint training HUB.
4. June 1, 2023 deadline for reimbursement.
  - All documentation of monies spent for pass through dollars, must be turned in no later than June 1<sup>st</sup>. If proper documentation of expenses

is not supplied, your potential dollars will be returned to the state or reallocated to another service. Your organization will then forfeit your rights to this allotment.

5. Educational offerings Upcoming
