Date: 12/28/2023

1. Approval of minutes – We will approve October and December minutes at the January meeting. Be sure to look for them on the RAC G Website prior to the next meeting.

Attendance: Amy Hooten, Chad Solomon, Justin Dagle, David Head, Shawn Salter, Terri Hoffman, Brian Wilkinson, Dawn Johnston.

2. HB 624- Reviewed and discussed GETAC Guidance document. Shawn Slater discussed the GETAC prospective and intent of the document. Each agency may need to make minor adjustments to the document for their area but those attending agreed with the general document. Shawn Salter made a motion to present to the General Assembly. Chad Solomon second the motion. All were in agreement.
3. Vote on document for RAC G: Pre-Hospital Triage and Transport. The prehospital portion of the trauma plan. This document was reviewed again and discussed. The definition of a pediatric was questioned for clarification. As we understand 15 year old patients would stay at RAC G facilities and 14 year old and younger would be transferred and considered a pediatric. No further discussion.
4. Open Discussion  
Discussed ALERT equipment needed for the Regional training. Amy Hooten will get an updated list of needs from Drew Allyson and bring it to the January meeting to discuss for submitting to the RAC for funding as regional equipment for training. Contact Drew Allyson or Amy Hooten if you have any ALERT Training question. Train the trainer classes available to develop a pool of trainers for the region.
5. Adjourn: Motion Chad Solomon, Second Dawn Johnston.
