Meeting Opened By: Loretta Kuhn
Assistant Director and Hospital Preparedness Program Manager

- Introduce new HealthCare Coalition Administrator: Toni Johnson April 16, 2018

Because of the shortness of time before the exercise, today' meeting is being held as the final briefing meeting for the upcoming RAC-G FY18 Full-Scale Exercise on April 18, 2018. We are excited to have the CMS Facility types ask to participate with us in this exercise so we wanted to provide ample time for questions and discussions concerning your facility's participation.

- Full Scale **Regional** Exercise Final Discussion- April 18, 2018
Mark Weaver – Facilitator
Loretta Kuhn – coordinator

We will present the scenario, expectations, documents to be used during your exercise participation and contact information to be used during the exercise.

IF YOU PLAN TO PARTICIPATE IN THIS EXERCISE:

1. Complete the PARTICIPANT INFORMATION form today! (If not already filed with RAC-G). Without this information by end of day today, you will not be provided any additional instructions/information about the exercise.
2. Ask questions today if you do not understand what to do.
